To,

The Medical Officer of Health / Concerned Authority,

Public Health Department,

Beed, Maharashtra.

Subject: Application for Inspection of Safe Drinking Water and Sanitary Conditions and Issuance of Certificate

Respected Sir/Madam,

With due respect, we request you to kindly arrange an inspection of the drinking water facilities and sanitary conditions at our school, Milestone International School, Talegaon, Beed.

The purpose of this inspection is to ensure that the drinking water provided to our students and staff is safe for consumption and that the sanitation facilities on the school premises are clean, hygienic, and satisfactory.

We therefore request you to conduct the necessary inspection and issue the Safe Drinking Water and Sanitation Certificate as required for school records and official purposes.

We shall be grateful for your kind cooperation and support.

Thanking you.
